"Million Dollar Matchmaker" Patti Stanger told Michelle Collins, a comic who was fired from "The View," that if she wants a man, she needs to hang out in a (literal) meat market.

Collins moderated a Q&A with Stanger at the Crosby Street Hotel, where "Patti advised Michelle to hang out at a steakhouse and read a book at the bar to meet a man because 'men like meat,'" a spy said. "Patti said she'd pay \$60 for the steak, but would meet a guy."

Collins joked at the event that she's gone from "The View" to unemployment, and was happy to do the Q&A to get \$500.

She'll make some extra money performing for \$5 a ticket at the Upright Citizens Brigade Theatre in Chelsea on July 13.
