Perez Hilton Chats With Patti Stanger About...

She's baaaaack!

**Patti Stanger** is easily the most trusted name in **matchmaking** amongst the Hollywood elite, but she's shaking things up for her brand new reality TV show *Million Dollar Matchmaker*.

That's because for her new home on **WE tv**, the former **Bravolebrity** is lending her services to regular 'ol rich people in what she's calling a mix between *Intervention* and *Let's Make a Deal!*

**Related: Patti Stanger's Dream Date Is None Other Than... Liam Neeson!**

But that's not to say you won't recognize a few famous faces — In fact, **Farrah Abraham** and *Bachelor in Paradise*'s **Ashley Iaconetti** are just two of Patti's clients in this debut season!

So how exactly does this show differ from *Millionaire Matchmaker*??

Instead of **hosting mixers with suitors and their dates**, *Million Dollar Matchmaker* is all about getting to the root of her clients' romantic issues all from a comfy compound over in the lovely San Diego.

Plus, Patti has some helpful tips on how to find a man for **Yours Truly** and **Khloé Kardashian**, so you definitely don't want to miss those!

Ch-ch-check out our **EXCLUSIVE** sit down with Patti Stanger before the premiere of *Million Dollar Matchmaker* TONIGHT at 10 p.m. EST on WE tv (above)!!!

### Amber Rose Pens Powerful Post About Her Son In The Wake Of Alton Sterling & Philando Castile's Deaths

It's been a rough, heartbreakingly violent week.

After **Alton Sterling** was killed in a police shooting in Baton Rouge, Louisiana and **Philando Castile** bled to death after being shot multiple times by a cop during a traffic stop in Falcon Heights, Minnesota, **celebs** have expressed their grief and outrage with heavy hearts.

And, the tragic killings of two apparently unarmed black men by law enforcement has gotten **Amber Rose** incredibly emotional.

On Thursday, the feminist took to **Instagram** to open up about how these devastating deaths hit pretty close to home because her three-year-old son with **Wiz Khalifa**, **Sebastian Taylor Thomaz**, is black.

The gorgeous gal posted a precious picture of her little boy, and wrote in the caption that she spent the day consoling a toddler who was blissfully unaware of the tragedies rocking our country, writing:
