How should you approach a co-worker you have a crush on? Should you expect a Valentine's Day present just a few months into the relationship? Fortunately for TVGuide.com, *Millionaire Matchmaker's* Patti Stanger stopped by the office to answer these questions and more.

Patti Stanger hands out Valentine's Day advice on *Watch What Happens* love special

In the video below, Stanger offers advice on the topics she knows best — love, dating and, of course, sex — and doesn't shy away from sharing her own personal stories, likes and dislikes. Plus: You'll never guess what she thinks about a man who has just worked out.
