Turns 36 on Feb. 7

By Jennifer Angel

AQUARIUS JAN. 20–FEB. 18

Nothing is impossible, and this year is improving! Relationships built on love and respect can thrive. Expect to part company with some people. With money, make sure everyone is on the same page.

PISCES

FEB. 19–MARCH 20

Don't let anyone pressure you into making a decision. If you must make a move, listen to your own intuition. Your love life will take a positive step forward if it is based on friendship.

ARIES

MARCH 21–APRIL 19

Your career takes your attention with changes that set you on a new path. If you have someone special, try to balance work and love to be there for each other.

TAURUS

APRIL 20–MAY 20

You've entered an optimistic business cycle, and opportunities are headed your way. Look for a love commitment, not a casual connection. The year ahead looks bright, be optimistic!

GEMINI

MAY 21–JUNE 20

A small alteration to your schedule can create a difference wherever quick thinking is needed. A romantic development can inspire you to make positive changes.

CANCER

JUNE 21–JULY 22

Consider your options before you say yes to a life-changing deal. In family matters, be confident and assertive to reach the best outcome for everyone.

LEO

JULY 23–AUG. 22

Prepare to put the spark back in your love life and be ready to meet someone with potential! Industry contacts are valuable, so build strong business relationships.

VIRGO

AUG. 23–SEPT. 22

When it's about money, you can take a risk, but do your research first. Opportunities at work motivate you to succeed. Love gets a new spark, but confusion can set in. Schedule time to think through your next steps.

LIBRA

SEPT. 23–OCT. 22

Life is hectic — get organized to stay on track. Don't entertain gossipy coworkers who just like the sound of their own voice. Single or with a partner, your love life can improve. Family can help find peace on the home front.

SCORPIO

OCT. 23–NOV. 21

For a love connection to work, look for someone with common interests and who can hold an intelligent conversation. You may need to cut someone some slack at work — not everything is within your control. Don't neglect family.

SAGITTARIUS

NOV. 22–DEC. 21

To find love, look through different eyes — avoid judging someone solely on first impressions. Don't expect a family situation to make sense; this is a good week to gather information. Your financial situation can turn around.

CAPRICORN

DEC. 22–JAN. 19

This is a time of transformation! You are on a pathway to success, and although life can be challenging, each small step leads to a bigger one. There are opportunities to fine-tune your love and work life.
