Next week, Bravo will premiere two new episodes of "The Millionaire Matchmaker." On **Tuesday, March 26 at 10 p.m. ET/PT,** Patti matches celebrity millionaires who are familiar with the public eye. Adam Gaynor, former guitarist for the band Matchbox Twenty, is looking for love. But after meeting Adam, Patti diagnoses him right away – he's all about the jokes and uses laughs to deflect seriousness and intimacy. Will Adam follow Patti's advice long enough for someone to really get to know him? Next up is Olympic Bronze Medalist speedskater Allison Baver. She's been hurt by love in the past and is done with dating professional athletes like herself. Patti suspects Allison loves to compete, but doesn't need her man also looking for the spotlight. Attracted to athletes, can Allison shift her focus and concentrate on finding someone right for a long-term relationship? On <u>Thursday, March 28 at 10pm ET/PT</u>, Patti goes somewhere she has never been before: a red-headed mixer! Although it's not Patti's favorite look, she embraces the red and even dons a wig herself to hold the Millionaire Club's first all-red mixer. Patti's first client is Damian Guillot, a boisterous 41-year-old art gallery owner from Aspen. Damian loves the party, but he's going to have to slow down if he wants long-term love. Patti's other client is recent divorcee Dr. Chris, who's just about ready to get back into the dating pool. Will Patti be able to help Dr. Chris open his heart up to a new relationship and a new woman?

Intuitive Entertainment and Bayonne Entertainment, Inc. produce the series for Bravo. Mechelle Collins, Kevin Dill, Robert Lee, and Patti Stanger serve as executive producers.
