**▲ SHIA & MIA**

- Shia is old enough to pick his future wife, and with his unstable past, wanting to settle down is a good thing. It seems Mama Shayna has a serious case of envy for her son's lovers, which leads me to believe she has too much time on her hands. It is time for Shayna to get a beau of her own. My suggestion is to start dating stat and make an effort to befriend Mia — or Shia will surely resent you and shut you out.

**▲ WILL & AMY**

- Both Will and Amy seem to have a good case of "You don't know what you have until you lose it." With holidays and kids bringing them back together, the healing process has finally begun. It's good for them to take time away from the spotlight to see if the spark is still there and putting their family first. This is one couple who have a good chance for a reconciliation built on true love.
